\*An acknowledgment of risk and release of liability must be signed prior to engaging with any activity with Mel Equestrian.

\*Parents and riders must wear appropriate footwear when coming to the barn. No fashion shoes, slip on shoes, tennis shoes, sandals, etc. Good choices include riding boots, hiking boots or shoes (without deep lug soles), boots that come up over the ankle (because laces and tongues can catch on a stirrup), winter boots (without deep lug soles), or other sturdy shoes with heels (1/2 to 3/4 inch). Heels help prevent the foot from going through the stirrup.

Thank you!
